

Seafreight

Kuehne + Nagel delivers highly flexible seafreight services through partnerships with leading carriers, as well as easy visibility and monitoring of freight movements via KN Login, our global information system. Our philosophy is to run the product in-house so that we control the cargo flow, transit times, costs and information accuracy.

Why is Kuehne + Nagel the number one seafreight services provider in the world? The key to our position at the pinnacle of the industry lies in our experience, expertise and global reach. We deliver highly flexible services through partnerships with leading ocean carriers. These well-established relationships guarantee capacity and the ability to adapt to growing seafreight trade volumes, quickly and efficiently.

Our more than 8,000 seafreight specialists can provide flexible solutions, customized to meet your unique requirements. With over 19,000 TEU, Kuehne + Nagel is a leader in the seafreight market in the Slovak Republic.
